 - c. Be bondable.

The deficiency is to be recorded in the appropriate section of the Daily Bartender Report.
 8. Ensure bartenders inform the Post Commander or any House Committee member within 24 hours of any member or guest action that may require suspension of Canteen privileges. The incident should be relayed by phone or in person and is to be recorded in the appropriate section of the Daily Bartender Report.

VI. Authority – The Canteen Manager has the authority to manage the day-to-day operations of the Canteen subject to this SOP and the oversight of the House Committee and Post Commander. If in doubt as to authority for any non-emergency occurrence, contact the Post Commander or the House for guidance. Specifically, the Canteen Manager is not responsible for hiring or dismissing Post employees. This is a decision for the Post membership based on review by and recommendations from the House Committee. If a situation requires the immediate removal of a Post employee, the Canteen Manager should suspend that person from Canteen operations, relieve him/her of keys, and then immediately report the situation to the Post Commander and the House Committee. It is expected that the Canteen Manager will exercise good judgment and discretion in all decision-making.
